

**Alan Bennett**  
**Senior Vice President and Chief Financial Officer**

Alan Bennett serves as Senior Vice President and CFO of Hotel Equities. His focus at the hotel development and management company is strategic business growth and development. His responsibilities include interaction with the capital markets and management of the finance, accounting, and information technology systems for the firm's corporate operations and the hotels presently in the firm's portfolio.

Before joining Hotel Equities, Alan served as Executive Vice President and CFO of DS Medical Supply, a specialty healthcare distributor. He successfully grew its revenue and increased profit margins, then sold the company to a national healthcare firm.

He has held various accounting and finance positions in the aviation, computer software, and refrigerated warehouse industries where he also gained a wealth of experience in financial and strategic planning.

Alan is a graduate of Georgia State University with a B.B.A. in Accounting. He and his wife, Lynne, both Atlanta natives, are the parents of three teenage children. An avid golfer, Alan also enjoys water activities such as boating and jet skiing. He and his family are active members of Peachtree Corners Baptist Church where he works with the youth.
